SENATOR SCOTT APPOINTED TO NATIONAL LEGISLATIVE COMMITTEES

(LANSING)---State Senator Martha G. Scott (D-Highland Park) announced today that she has been appointed to serve as a State and Federal Legislative Liaison for the National Council of State Legislatures (NCSL). Scott has also been appointed to the Health Capacity Task Force of the Council of State Governments.

“I am pleased to serve the citizens of Michigan in both of these capacities and I look forward to working with my legislative colleagues from other states,” Scott said. “Serving as a Liaison and working with my colleagues to resolve serious health care issues that affect citizens nationwide will be both challenging and rewarding work.”

The Council of State Governments is a multi-branch state association that was formed in 1933. The Council is a way for states to share resources, strategies and ideas. CSG helps states by offering leadership training, research and information products, and regional problem-solving activities. CSG maintains regional offices throughout the country.

The National Conference of State Legislatures was founded in 1975, and is based in Washington, D.C. The organization is dedicated to improving the quality and effectiveness of state legislatures; promoting policy innovation and communication among state legislatures; and ensuring state legislatures a strong, cohesive voice in the federal system.
